

2 DAY WORKSHOP

on

CYBER SECURITY & CYBER LAWS

25th Mar – 26th Mar 2019

Organized by

Department of Computer Science, University of Delhi
Shaheed Sukhdev College of Business Studies, University of Delhi
Institute of Cyber Security and Law, University of Delhi

About Workshop

The advent of technology in the last decade has been immense. It has integrated into our lives deeply and unavoidably. And while technology has already brought many beneficial changes, it can be argued that it also has a dark side – that of cyber-attacks. In this digital age, we should know how to protect ourselves, our privacy, identity and sensitive information from cyber-attacks. Therefore, getting familiar with cyber security fundamentals is the way to go in today's interconnected environment.

The purpose of this workshop is to provide in-depth knowledge on the practices and challenges in cyber security; emerging threats and trends in cyberspace and technological challenges that are posed by the rising threats in cyberspace. It will also provide an opportunity to learn about the current state of Cyber security and Laws in India.

Venue

Seminar Hall, Shaheed Sukhdev College of Business Studies (SSCBS),
Dr. K.N. Katju Marg Rohini Sector 16, PSP Area IV, New Delhi,
Delhi-110089
